

# WE ARE HIRING!

## PIPE FITTER / MECH. SITE ENG.

JOB REF NO: JP224

DEPARTMENT: T-T PUMPING STATIONS

RESPONSIBLE TO: PUMPING STATIONS MANAGER

T-T Pumps Ltd, one of the UK's market leading companies in the supply, manufacture, design, install and service of pumping equipment, is looking for a dynamic and motivated individual to join their site teams.

Joining an exciting and fast-paced external team, the ideal candidate will be a motivated individual working alongside an electrical site engineer, installing, commissioning and services of pumps and related equipment.

### Responsibilities / Duties:

- Attend nationwide installation and breakdowns when necessary and ensure that T-T Pumps call out policy is maintained
- Service, repair and assembly of pumps and pumping equipment
- Maintain company procedures and improve where possible
- Complete site reports after each visit, obtain a customer signature and submit promptly
- Be a good ambassador for the company, promoting all products and services at every opportunity
- Ensure that the company vehicle is stocked and van-stock and tools required at all times

### Any other duties necessary:

- Be flexible to the requirements of the business
- Observe and maintain the company's Health and Safety Policy
- Undertake any other duties that may be required from time to time
